

Project PROSPERITY

Project Prosperity kicks off on November 1st and ends on January 1st. The goal is to raise \$5,000!

That is roughly \$500 per week and we need **YOUR** help to reach our goal.

Below are ways raised funds could be used:

\$1,000: The cost of ten therapy sessions

\$500: The cost to receive all services after an abuse allegation has been made

\$250: The cost of a medical exam

\$125: The cost of a shelter bed for a night

\$50: The cost of gas to fill up an agency vehicle to transport families

\$25: The cost of a sleeve of DVDs to store recorded forensic interviews

Donations of any amount allow us to better serve our clients
