

Masquerade Ball

Silent Auction

Dear Community Partner,

The Child Advocacy Center of Northern New York, a program of the Victim's Assistance Center, is hosting our Annual Masquerade Ball on April 1, 2023 to honor local heroes who work tirelessly to fight child abuse in our community. In 2021 we served 1,294 children between Jefferson, St. Lawrence & Lewis Counties.

Our agency works with all local law enforcement, child protective services, prosecutors, and medical providers in a multidisciplinary team approach. The services that a child receives at the Child Advocacy Center include medical examinations, forensic interviews, case management, advocacy, and therapy. All of these services are provided to the child victim and their non-offending caregivers free of charge to ensure they receive the help they need to heal from their trauma.

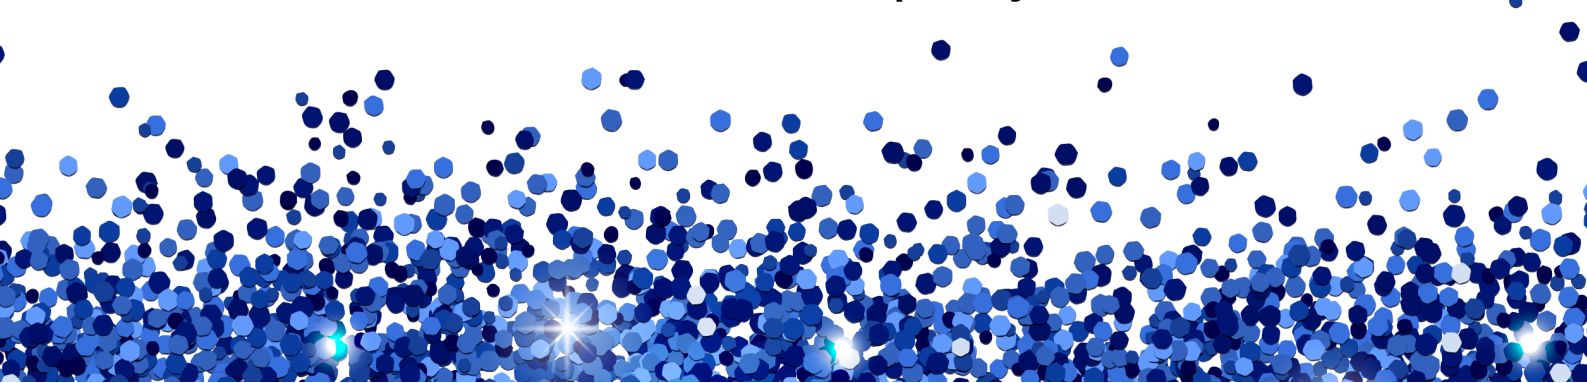

We would greatly appreciate any silent auction items (baskets, gift cards, services, merchandise, etc.) you can donate to help us unmask child abuse in our community. Should you make a donation for the silent auction, your business will be recognized on auction displays at the event. All donations are tax deductible.. We are hoping to wrap up all silent auction donation items by Friday, March 17, 2023.

If you have any questions or need further information, please do not hesitate to reach out to me. On behalf of our staff, board members, multidisciplinary team, the community, and the survivors we serve, thank you for your consideration.

Thank you for your continued support.
If you are interested, please fill out the attached form.
